16. LODRINO-LAVERTEZZO SKYRACE

The 16.edition of the Lodrino-Lavertezzo Skyrace will start at **8.15 a.m. from the schools of Lodrino (scuole medie)** at 262 meter of altitude and finish at the Piazza of Lavertezzo at 536 m.

The course consist of a steep ascent in the Lodrino valley and an easier descent in the Verzasca valley. Its 22.1 km long with an difference in elevation of 2190 m uphill and 1860 m downhill.

After the first kilometer through the village of Lodrino the path is steep for about 5 km until reaching the Alpe di Alva (1570 m). A varied route of about 3km ups and downs lead then to the Alpe Negheisc (1880) Then again a very steep trail gets you to the panoramic stop-over - the Forcarella di Lodrino (2236 m). The descent starts with a steep, stony precipice and leads to the Alpe Corte di mezzo at 1627 m. After another steep kilometer in the Pincascia Valley the path gets smooth and takes you downhill in direction of Alpe Piancascia-Forno-Cugnera until you get to the finish at the Piazza of Lavertezzo.

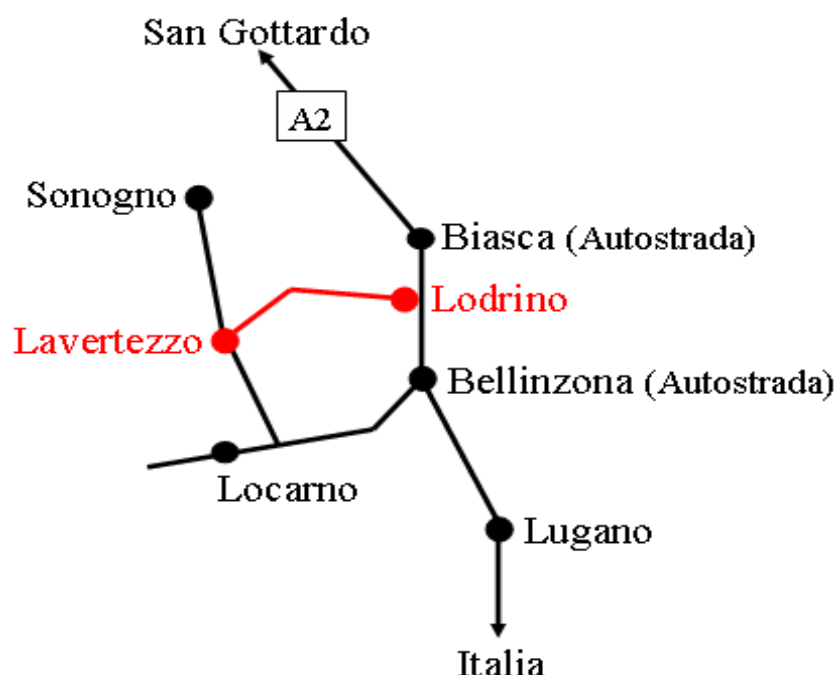

LODRINO-Alpe Alva mountain race

For the 9 time we offer as an option to perform the race only to the alpe Alva 1570 m.of altitude. Once arrived, you can enjoy the spectacular panaorama and hike down unhurried to Lodrino. Personal items can be handed on the start and will be taken to the Alpe Alva 1570m by the organisation.

Fun Hike (Traversata Popolare)

For those who want to take it more easily, we organise a popular hike from Lodrino to Lavertezzo. The course is the same but we **start** at **6.00 a.m.** . There will be food and refreshments on the way. The numbers can be collected either Saturday at the schools . The participants of the fun hike will also get a starting present.
